American AgCredit

Your future grows here

This forecast was made possible by generous funding from the Lake County Winegrape Commission & American AgCredit; providing financial services to agriculture since 1916.

Friday May 31, 2024 issued 3:45pm

HIGHLIGHTS: Troughing will bring slightly cooler temperatures for tonight and similar lows and gusty winds for Saturday night.

Frost Discussion: Upper level troughing will move in from the Pacific Northwest heading towards this evening, keeping light to moderate north winds through tonight and allowing cooler air to filter in. Lows are expected to cool by a couple degrees for tonight with breezy north winds tomorrow night keeping similar lows likely for Saturday evening.

****This is the last forecast of the 2024 Spring Frost Season****
